Weekly Bulletin - 7th May 2021

Between the 30th April and 3rd May, students of Darnhall Primary School took part in the **Sir Captain Tom Moore's 100 event**. The pupils were inspired by Captain Tom's laps around his garden and decided to complete their own activities. Events included running, star jumps, press ups, litter picking, story writing, baking, and many more. Matthew Dunning (our PE Coordinator) said: 'It was great to see all of the children inspired by the cause and complete so many 100 events'.

An online google survey will be sent out on Monday so you can book clubs for after half term. These are for Years 1-6

Mrs T's May Competition

Pom-pom animals—design and make a pom-pom animal and bring to school.

Hosted by the Mental Health Foundation, **Mental Health Awareness Week** will take place from 10-16 May 2021, on the theme of **'Nature'**.

In school, the children will make use of the outdoor spaces we have and take part in some nature activities.

If you take part in any outdoor activities outside of school, please send your photographs to our school WhatsApp or Facebook page so they can be added to our Mental Health Awareness Week photograph album.

Keep an eye out on Facebook for photographs of the children completing the activities during the week.

'This week Year 3 have baked lots of shortbread biscuits to raise money for the Sir Captain Tom Foundation. We did this to celebrate his 101st birthday. We had decided to make 100 but ended up with lots more, delicious and raising money too!' - Mrs Edwards, Otters

Miss Morris is looking forward to taking a group of children to the **Delamere Street Festival** on 26th June 2021. We will be joining the parade at 11am then sharing a performance on the main stage. Keep your eyes peeled for the letter regarding auditions!
