Darnhall Primary School Sandyhill Road WINSFORD Cheshire CW7 1JL

Weekly Bulletin 4 - 14th May 2021

We're so excited that each of our classes are getting a 'Dazzle Pack' of new books for their reading areas

next week.

!!Parking issues!!

Please only come to school in a car if you aren't in walking distance. We have had several collisions, altercations and vehicles damaged on Darnhall School Lane. There is nothing school can do to resolve the issue but motorists can by only using a car if absolutely necessary, being careful and courteous and not endangering pedestrians by parking on the zig-zags or kerbs. The police will be monitoring this.

School closes at normal time on Friday 28th May and reopens normal

time on Monday 7th June 2021.

Attendance:

WINNERS THIS WEEK ARE:

SPIDERS 100%

Close second OTTERS with 99%

Lateness counts so please be on time

Forest Schools

Owls and Badger classes are loving their sessions in the Woodland Wonder area each week with Miss Pagonis

Friday 28th May is non-uniform day suggested donation £1 organised by Year 6 KS1 and Foundation Stage took part in a 'Bunny Hop' to raise money for St Luke's Hospice. We're so pleased to announce they raised £1,730.47! Well done and thank you to

everyone involved.

SAVE THE DATE—7th June

SPECIAL PHOTOGRAPH DAY!

- Children in Caterpillar Nursery who are starting school

- Children finishing their first year in

Reception

- All Year 6 leavers

They need to be in school and super smart for their special natural outdoor photos—if they are off school that day, then they will miss this special opportunity.

Last week, our Year 3 pupils made and sold shortbread biscuits to raise money for Captain Tom's Foundation. These were a huge success and raised £40.80.

Year 3 and 4 are taking part in a litter pick today as part of the 'Million Mile Street Clean' run by Surfers against Sewage. We will be out the field and around the school playgrounds collecting rubbish. We should all care about our environment and as soon as we can we will be litter picking the surrounding areas. Keep a look out for us!

Are there any parents or grandparents able to spare two hours a week to do some gardening please?
