25th April 2019

Dear Parents and Carers,

On **Monday 29th April** (Reception, Year 1, Year 2 and PM Nursery) and **Friday 3rd May**, (Years 3-6 and AM Nursery) will be visited by Helen Howard from Talking Teeth in Schools. Helen will be completing fun hands-on activities linked to Oral Health including tooth brushing using a family fluoride toothpaste (please provide consent for this on the reply slip), quizzes and the Plaque Experiment for Years 3 – 6.

If your child is in Year 3, 4, 5 or 6, please provide your consent for them to take part in The Plaque Experiment (this involves your child chewing a tablet that will highlight plaque on their teeth which they can then see being cleaned off as they brush).

Helen is also offering a **free drop-in session for parents** after school on the Friday at **15:10 in the Key Stage 2 Hall**. Healthy refreshments will be provided. Please complete and return the reply slip to tell us whether you are able to attend the parent drop-in session.

We hope to see you there.

Kind regards,

Davie Kindon
SENDCo

Name of child _____

Class _____

I will be attending the parents Tooth Hygiene session on 3rd May 2019

I give consent for my child to take part in the tooth brushing exercise using a family fluoride toothpaste

I give consent for my child to take part in The Plaque Experiment
