

I have been a Governor at Darnhall School continuously since 1988, when I was elected as a Parent Governor. During this time I have been involved with curriculum, finance and staffing committees, as well as having served as Chairman for ten years. I was elected as a Parent Governor at Verdin High School in 1994, and served ten years as Chair of the Personnel committee.

I am a qualified accountant and prior to the closure of the Crewe campus I was a lecturer in Creative Writing at MMU; I continue to teach adult classes. I am currently a team leader at Vale Royal Child Contact Centre. I passionately believe that Darnhall School offers our children a rich and varied curriculum, delivered by caring and well-qualified staff. I am committed to supporting the school as it continues to provide the best educational opportunities for our children.
